

Certificate No.:

**0845 – CPD–232.1478**

## EC-CERTIFICATE OF CONFORMITY

Issued by Danish Institute of Fire and Security Technology. Notified body No. 0845

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

NB358D-S	Analogue addressable smoke detector	Addressable by dip-switch
NB358D-S-LED	Analogue addressable smoke detector with output for LED	Addressable by dip-switch
NB358A-S	Analogue addressable smoke detector	Addressable by hand-held programmable devices
NB358A-S-LED	Analogue addressable smoke detector with output for LED	Addressable by hand-held programmable devices

for applications related to automatic fire alarm systems

manufactured by **WIZMART TECHNOLOGY INC.**  
2F, #41-2, Sec. 1, Chang-An East Road  
Taipei 104  
Taiwan

are submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Danish Institute of Fire and Security Technology (*Dansk Brand- og sikringsteknisk Institut*) has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all the provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN54-7:2000 Fire detection and fire alarm systems – Part 7:  
Smoke detectors – Point detectors using scattered light, transmitted light or ionization.

were applied and that the products fulfils all the prescribed requirements.

The attached 3 annexes forms part of this certificate.

This certificate was first issued on 2008-10-15 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC it selves are not modified significantly.

  
\_\_\_\_\_  
Technical Officer

  
\_\_\_\_\_  
Head of section

This version certificate supersedes version issued 2005-06-22.
